specific

Baptist Global Response has researched and worked with partner organizations to determine the best resources to include in the kits. For uniformity in packing and shipping as well as customs approval in recipient countries, we will provide Baptist Global Reponse with completed kits that match the detailed list. Varying kits and materials may delay shipments and in some cases may mean that the kits will not be accepted into a country.

- **One kit will cost around \$100 or less.** A detailed shopping list is provided on the back of this sheet.
- **There are four items that MUST ONLY be purchased at Wal-Mart:** 1) Equate Multi-Vitamins, 2) a thin towel, 3) a fitted vinyl mattress protector, 4) Baby Connection Waterproof Flat Quilted Multi-Use Pads (2-pack). Product codes are provided within the shopping list on the back.
- **All kits must include all of the requested items.** Some items listed are available in bulk or are only available in quantities larger than needed. For example, if after completing five kits you have 10 extra packs of straws, drop off extra items at the Global Mission Center in Concourse A on Sundays or in front of Building C Monday through Thursday between 8:00 AM and 6:00 PM.
- **Purchase new items and, when stated, use only the brands included on the shopping list.**
- **Please, refrain from adding cards, letters, photos, directories, bulletins or ANY other items that are not specifically identified in the instructions.** Good intentions can inadvertently cause delays with customs or compromise the safety of our partners living in the field.
- **Drop off your purchased items** at the Global Mission Center in Concourse A on Sundays or in front of Building C Monday through Thursday between 8:00 AM and 6:00 PM.
- **Please email** missions@hebronchurch.org if you have any questions regarding this project.
