

Hebron welcomes a new Student Pastor!

We are excited to introduce Steve and Beth Browning to the Hebron family. Steve is joining us as High School Pastor as of April 17, and will hit the ground running as we head into student retreat season, bringing his passion to see students transformed by Jesus Christ. He and Beth, the love of his life, best friend, and partner in ministry, have a son, Caleb. They are thrilled to become a part of what God is doing in and through Hebron.

As a student growing up in Florida, Steve experienced the difference Christ can make in his own life. Knowing the love and grace of God at a young age fueled his desire to see students connect to Christ and sparked a call to ministry with students. More than ten years later, he is still captivated by what God can do to change hearts and lives in the next generation, so watch out for what God will do through him at Hebron!

Steve comes to us from Virginia, where he served as Minister to Students at First Baptist Church Norfolk. Steve is still growing and equipping himself in ministry to students. He has a B.A. in Christian Leadership from Palm Beach Atlantic University and a M.Div. in Christian Ministries from Southeastern Baptist Theological Seminary, and is currently pursuing a Doctor of Ministry in Evangelism at Liberty University.

Join us in praying for the Browning family as they partner with us in ministry. Welcome them and continue to encourage them as they serve the needs of students, and their families, at Hebron and in our community.
