

Kingdom Builder Weekend November 3-5, 2017

Our Mission: We give our lives to lead people to life-changing faith in Jesus.

Our Vision: In the next 10 years, Hebron will raise up thousands of 4D Kingdom Builders to influence tens of thousands with the Gospel here and around the world.

“What is Kingdom Builder Weekend all about?”

This weekend is a time for us to gather with our ministry partners who serve in Colombia, Dominican Republic, Ghana, India and Peru. We will learn about all that God is doing in their areas of the world in leading people to life-changing faith in Jesus and making disciples. During our time together, they will share:

- What God is doing in their part of the world.
- How to pray for them as they take the gospel to unreached people in unreached places.
- What tools they are using to make disciples and expand God’s kingdom.

As a church, we want to be disciples who make disciples who make disciples everywhere we go: @home, @work/school, @church and @community.

If you would like to be involved in this weekend experience, email missions@hebronchurch.org.
