

## Spiritual Growth Journey for 4D Kingdom Builders

4D Kingdom Builders are spiritual leaders and difference-makers everywhere:

@Home

@Church

@Work/School

@Community

4D Kingdom Builders give their lives to lead people to life-changing faith in Jesus. You cannot lead others where you have not gone. This Spiritual Growth Journey is designed to help you take important steps forward in your walk with Christ so that you can bring others along with you.

The study is organized into eight units:

- Introduction: *What will it take?*
- Christlikeness: *Am I becoming more like Jesus?*
- Evangelism: *Am I close to someone far from God?*
- Service: *Where am I serving?*
- Giving: *Am I growing in generosity?*
- Influence: *Who am I investing in?*
- Family: *How am I improving my family relationships?*
- Accountability: *Who is asking me the tough questions?*

For each unit, there are five lessons. Altogether, you will study 40 of the most powerful chapters of the Bible. Each chapter addresses a variety of topics, but pay special attention to the verses in each chapter that address the topic of each day. What you will realize in this study is that the Bible is truly inexhaustible in its depths and application to our lives.

Each day, answer four questions about the passage you are studying:

1. What do these Scriptures teach us about today's topic?
2. What do these Scriptures teach us about people and God?
3. How will I apply these Scriptures to my life?
4. Who will I share these truths with, and what will I tell them?

Record your answers to the above questions in a spiritual journal. You may already have a notebook to use for a journal, you may want to keep a digital journal, or you may want to print 40 copies of the template (page 4) to make your own journal.

You may want to complete this journey in 40 days or over an eight-week span of time. Adjust the pace as needed.

This journey has been designed with the hopes that you will meet regularly with another 4D Kingdom Builder to discuss what you are learning and answer questions that you may have.

Also, over time we hope that you will lead several people along this journey, and they in turn will lead several people, and on and on it will continue. Imagine if one person leads five people through the journey and each of them leads five people. If that continues, then in the fifth cycle over 3000 people (5x5x5x5x5) will have completed the journey. Wow! Be praying about who you would like to invite to be part of this Spiritual Growth Journey. Ask them. You do not have to wait until you have completed the journey for someone else to begin. They can get started as soon as they are ready to go.

We pray that God will use this Spiritual Growth Journey to help you develop the daily habit of studying the Bible, praying, and putting God's Word into practice in every arena of your life. We pray that it will help make you into the 4D Kingdom Builder that He is calling you to be @Home, @Church, @Work/School, and @Community.
