

YOUR STORY with Verses from the Bible

The following is a simple and personal way of sharing the Gospel with someone using your story and a few verses from the Bible. It is important to have the verses with your story, so that people know this is not just based on what you think, but based on the absolute truth from God's Word.

-
- 1** This was my life before following Jesus. **Romans 3:23**
Romans 3:10
Romans 1:21

 - 2** Then I realized I needed Jesus.
Here is how it came about. **Romans 5:8**
Romans 6:23
Romans 4:7

 - 3** This is how I was saved from my sin
and became a follower of Jesus. **Romans 10:9**
Romans 5:1
Ephesians 2:8-9

 - 4** My life is different now, as a follower of Jesus.
Let me explain. **Romans 6:22**

IMPORTANT NOTE

It is important to give the person you are talking to a chance to respond. You can do this by asking some simple questions such as:

? *Has anything like this ever happened to you?*

? *Have you come to a place in your life that you realize you need Jesus?*

ACTION PLAN

Take this worksheet home and complete it. Learn to share your story with the verses in 3 to 5 minutes in a natural way.
