

# Leaving a Legacy

Your legacy will either positively or negatively influence those who follow you.

If you died today, what would people say of you?

*You loved God and honored Him with your life.*

*You loved your family and it showed.*

*You loved your friends and will be missed.*

*You prayed and expected God to answer.*

*You were generous.*

*You encouraged others.*

*You wanted and helped others to succeed.*

*You forgave.*

*You kept your word.*

*You were not ashamed of the gospel.*

*You were a role model.*

*You served others and didn't have to be in charge.*

*You were a student of God's Word.*

*You knew what you were here for.*

*After reflecting on these statements, are there adjustments you need to make in your life? No matter your age, you can choose to start making a difference in the lives of those around you today.*
